SPOT X with Bluetooth®

The new SPOT X provides 2-way satellite messaging so you can stay connected with family and friends when you are off the grid and beyond cellular coverage.

Each SPOT X device has its own unique mobile number meaning others can message you directly from their mobile phone or other SMS device, wherever you are.

If preferred, you can connect the SPOT X to your smartphone via Bluetooth and use the SPOT X app to access your contacts and communicate easily with family, friends, or directly with Search & Rescue services in a life-threatening situation.

SPOT X USES A *constellation of satellites* ALLOWING YOU TO COMMUNICATE EVERYWHERE MOBILE SERVICE IS UNAVAILABLE

BLUETOOTH

Connect SPOT X to your smartphone and stay connected using the SPOT X app.

MESSAGE

Exchange messages with any mobile phone number or email address from virtually anywhere in the world.

S.O.S.

Send an S.O.S. to the 24/7 Search & Rescue Centre, message back and forth about the nature of your emergency, and receive confirmation when help is on the way.

TRACK

Choose 2½, 5, 10, 30, or 60 minute tracking intervals, and track your adventure with SPOT's easy to use cloud-based mapping.

CHECK-IN

Quickly and easily let friends and family know that you're OK.

NAVIGATE

Built-in compass and programmable waypoints help you navigate.

SHARE

Link your social accounts to keep your friends and family in the know, wherever you go.

The SPOT X device requires an active service subscription to operate. All subscriptions auto-renew at the end of the contract term. *All Plans are subject to a one-time activation fee of US\$22.00. **Enrollment in any Flex Plan is subject to an Annual Flex Charge that is collected once per year at renewal, even if the device is suspended at that time. This Flex charge allows you to suspend the service at any time during the year without activation fee recurrence when turning service on again. All Flex Plans have a one month minimum term.
