

## DURESS FALL DETECTION BLUETOOTH BUTTON

The Bluetooth Duress and Fall Detection Pendant synchronise with the Duress APP to provide users with the added benefit of fall detection. In the event of a fall, the Bluetooth pendant declares a fall emergency.

The Duress safety app is a unique safety solution that streams live emergency video, audio & location.

Location and Video data are sent to the Duress 24/7 monitoring team precisely see & hear precisely what is happening to dispatch the most appropriate type of emergency service straight to your staff members' location.

## 24 HOUR MONITORING

The Duress App is monitored 24 hours a day for complete peace of mind

## FALL DETECTION

The Bluetooth button has built-in fall detection which declares an emergency

## REMOTE DURESS BUTTON

Activate the Duress button remotely if you are unable to get to your phone

## REAL-TIME AUDIO AND VIDEO

In the event of an emergency, the Duress App streams real-time video and audio

## REAL-TIME LOCATION

When an emergency is declared your location is constantly tracked in real-time

## EMERGENCY SERVICES NOTIFICATION

The Duress operations centre will notify the emergency service where required

## SMS NOTIFICATION

The Duress operation centre will notify your contacts that an emergency has been declared. Once resolved, an update will be sent

## 24 HOUR SUPPORT

Our customers are provided business hour support from 8.00 am to 8.00 pm Monday to Friday, with 24-hour service for critical support issues.

## 14-DAY MONEY BACK

Buy with **total** confidence. We offer a no-quibble 14-day money-back guarantee. If you're not happy with your purchase, simply return it.
